*Proposed Transfer of Military roads to the Municipality with the annual allowance allotted for the same.*

13. Read letter dated 25th instant from Mr. A. Kupsami Modaliar, Municipal Commissioner, No. 4 Division, suggesting that application be made to the Madras Government for the transfer of the roads in the Cantonment, now maintained by them, to the Municipality with the annual allowance allotted for the same.

*Resolved.*—That the Chief Commissioner be addressed with a view to his moving the Madras Government to make over to the charge of the Municipality all the roads without distinction within municipal limits, together with the annual maintenance allowance that has hitherto been provided for their up-keep. In submitting this resolution the Commissioners would wish to disclaim any desire or intention to draw invidious comparisons, or to offer any opinion as to whether the station roads have been maintained hitherto in a relatively more efficient manner by the Municipality or by the Military authorities; but they are strongly impressed with the conviction that the division of responsibility at present existing as regards these roads is greatly to be deprecated, and they consider that for many reasons it is highly desirable that all the roads within municipal limits should be placed under one controlling authority, and which authority, they believe, ought most appropriately to be vested in the Municipality.

The above resolution having been put to the vote is carried, 8 votes for, and 2 against, the resolution.
